What Our Partnership Means to **YOU**:

Highly **Visible** Marketing | Social Media **Engagement** | In-person **Event** Opportunities

You have a **UNIQUE** opportunity to be a **FOUNDING** sponsor of the Wolf Pack Band. This young program is eager to build a legacy with strong business relationships. Our Weiss community offers the opportunity to promote your business to engage with your brand first-hand on social media, at community events and competitions, and our website. As a valued sponsor, we offer various avenues for brand exposure, such as custom content on social media, announcements at football games, eye-catching truck decals, sponsor banners or shirts. As our band travels extensively throughout the fall season, supporting our athletic teams and competing in a variety of competitions in the wider Austin metro area, your brand will be proudly displayed on our Wolf Pack band semi-truck, garnering attention.

What Our Partnership Means to **US**:

Support **Marching** Competitions | Promote Music **Education** | Fund **Scholarships**

Our students and staff work tirelessly and with great pride to build a dynamic, entertaining, and challenging show. We focus on quality of sound, appreciation of the notes, and an understanding of the composer's intent to deliver an emotional experience for the audience and judges. We can build this world together. Our partnership allows us to fund the staff, supplies, and educational tools to set our band up for success. Your business, along with our pursuit of musical greatness, demonstrates a commitment to excellence. One that resonates a legacy within our community.
